Lynn Kunzler
Utah Division of Oil, Gas and Mining
1594 West North Temple, Suite 1210
Box 145801
Salt Lake City, Utah 84114

Dear Mr. Kunzler:

This letter is in response to the information you required for the Dove Creek Quarry, in regard to the Division's Conditional Tentative Approval requiring that we provide a copy of Box Elder County's approval of the camp site. Utah Building Stone will not use the camp site until such time as the County provides the approval.

I hope this satisfies your concerns to issue final approval of this quarry.

Sincerely,

Bill Bown
Utah Building Stone Supply
